

Type 0 231 129 022 JFR4

[www.cfi-auto.com](http://www.cfi-auto.com)

Distributor ID: 022\_170311-3S

Test date: 11-Mar-14

|                               |              |                              |                 |
|-------------------------------|--------------|------------------------------|-----------------|
| Dwell angle (50 +/-3°)        | 49°          | Cam lobe accuracy (+/-1°)    | <1°             |
| Dwell variation (+/-1°):      | <1°          | Bushings, shaft:             | Good            |
| Point float (+/-1°):          | <1°          | Drive gap, vertical (0.1mm): | 0.1mm           |
| Point bounce:                 | None         | Breaker plate:               | Good            |
| Breaker point gap:            | Set by dwell | Mech. spark retard:          | Returns to zero |
| Breaker tension (500-650g):   | 630g         | Vacuum leak (at 15psi):      | N/A             |
| Condenser capacitance (mFd.): | 0.301        |                              |                 |
